Handwriting Programs

Its Fun!

DTA is offering two fun and innovative ways to improve your child's handwriting! These programs are for children having difficulty with picking up or combining objects when playing, holding a pencil correctly, drawing or coloring in the lines. Both programs emphasize hand skill development, pre-writing and writing skills

Handwriting Clinic

- Clinic is 1 hr long on one day.
- Lead by an Occupational Therapist.
- Parent and child are involved during sessions.
- Participants will receive basic strategies, tools and handouts.
- Cost: \$75.00 (Payment is required with registration). Not insurance reimbursable
- [Click here for Registration Form](#)

Handwriting Intensive

- Intensives include five 30 minute sessions. The sessions are scheduled according to the need of the child & family.
- Concentrated treatment maximizes potential change over a short period of time.
- Lead by an Occupational Therapist.
- Recommendations and strategies will be provided following each session.
- Cost: \$250.00 for 5 sessions. Not insurance reimbursable
